Respected Madam/Sir,

We are very glad to announce that reputed astrophysicists and legendary scientist, Prof. Jayanta Vishnu Narlikar will be in Kolkata along with noted mathematician Prof. Mangala Narlikar accepting an invitation from Paschimbanga Vigyan Mancha. Prof. Narlikar will address on the occasion of 30th year celebration of 'E Juger Kishor Vigyani', a popular children science journal published by Paschimbanga Vigyan Mancha, on 27th September, 2019, 11am at Vivekananda Hall, Ramkrishna Mission Institute of Culture, Golpark, Kolkata. The topic of his lecture is 'Why Study Astronomy'.

We would like to request your good self to kindly select and send 20-25 students from higher classes (10 - 12 classes for schools) of your institution for making an avenue for them to meet the scientists of repute, by taking part in the programme.

Hope, you will be cooperative enough to do the needful and inform us accordingly so that we can make necessary arrangements.
